

INDOT TRANSIT DBE UTILIZATION GOAL SETTING

SOURCE: INDIANA DEPARTMENT OF TRANSPORTATION

INDOT's Office of Transit is in the process of setting its goal for DBE Utilization. This is a process that determines our goal for spending with DBE firms on Public Transportation projects. INDOT and its grantees contract with DBE firms such as consultants, suppliers, and professional services. We are interested in explaining the procedure we use and hearing your comments, feedback and ideas.

INDOT is required to have a consultation process with stakeholders and these open houses will serve as part of our consultation process.

INDOT personnel will be on hand at INDOT Open Houses throughout the state to answer questions and provide information for further contact. The DBE Goal setting methodology can be found on the INDOT web site at: https://www.in.gov/indot/files/2018_DBE_Participation_Goal.pdf

If you have any questions or comments regarding the DBE Goal Methodology or the open house, please contact Jason Casteel at 317-2345161 or jcastel@indot.in.gov.
