

Indianapolis Hard Hats With Heart

Date: October 27, 2016

Location: The Dallara IndyCar Factory

Be a part of the Inaugural Hard Hats With Heart, celebrating the life-saving work of the American Heart Association in our community. Our evening of giving features dinner, fun entertainment, CPR demonstrations and a silent auction. With over 400 guests, you will have the opportunity to network with attendees from the construction industry as well as local survivors of heart disease and stroke. **Why Hard Hats With Heart?**

Life is Why. We want people to experience more of life's precious moments. It's why we've made better heart and brain health our mission. And until there's a world free of heart disease and stroke, we'll be here, working to make a healthier, longer life possible for everyone. Events like Hard Hats With Heart are an integral part of funding the American Heart Association's mission.

Your Contribution Matters. The American Heart Association (AHA) has already made an extraordinary impact on heart and brain health through research, education and advocacy efforts. Below are a few examples of how the AHA is working to make a healthier, longer life possible for every person in our community.

- The AHA is a major funder of cardiovascular research, having spent over \$145 million nationally last year, with \$3.3 million being invested in institutions right here in Indiana.
- The AHA's advocacy team played a significant role in advocating for House Bill 1290, legislation that was passed last year ensuring every Indiana high school student will be trained in CPR prior to graduation. Teaching students CPR before they graduate puts thousands of qualified lifesavers in our community.

Don't miss out on this unforgettable evening with life-saving significance! We've made great progress, but much work still lies ahead. We can work together to ensure all people experience more of life's precious moments with healthier hearts and minds. **Contact Alexandra McMahon at 317.732-4730 or Alexandra.McMahon@heart.org for sponsorship information.**
