<p>US Department of Homeland Security – list of what the federal government deems critical infrastructure workers in light of so many state and local closures. While DHS acknowledges that state and local governments ultimately decide what is essential, DHS issued this list to provide some guidance to those government officials. If you have a business on this list, and the local or state closure order is not clear on whether the client’s business is essential, this list may be a helpful guide.</p> <p><a href="#">Guidance on Essential Critical Infrastructure Workforce</a></p>
